PRICE, FIVE CENTS

AUTO THIEVES CAUGHT HERE

TWO COLUMBUS BOYS IMPLICATED IN AUTO THEFT CASE AND KIDNAPPING.

Car stolen in Birmingham and Chautaufer Who Appraised Officers Of Get-away, Serious Charges

After stealing a big National six-cylinder automobile in Birmingham and kidnapping the chauffeur, two Columbus boys and their companions were arrested south of Columbus Thursday evening by officers Glover and Noble.

The two Columbus boys are Matthew McDowell and Ormond Moore, who was formerly employed as a soda dispenser at Lide's Drug Store. The other two boys implicated in the trouble are Frank Davis of Reform, Ala., and Boyd Funderburk of Birmingham.

The four boys hired the car at a taxi stand in Birmingham and after driving a few miles in the country they knocked the driver Mr. Clay Felton, in the head and forced him to continue with them on the journey.

When they reached the store of Mr. E. D. Ervin, at the Green Hill bridge south of Columbus, Mr. Felton requested Mr. Ervin to telephone to the police, to come out and arrest the boys. Chief of Police Glover, accompanied by Officer Noble, secured a taxi and hurried to the bridge. They finally located the party in the woods by the side of the road five miles south of the bridge.

The car belongs to Mr. Earl Ryan, a taxi owner, of Birmingham, according to Felton. Mr. Ryan was communicated with by telephone and he instructed the officials here to hold the car and extend every courtesy and assistance to young Felton. He came to Columbus Friday at noon to carry the car back to Birmingham.

Felton who is an experienced taxi driver of Birmingham states that the boys came up to his stand on Twenty-first street in Birmingham, and secured the services of his car for a trip to Bessemer, twelve miles from Birmingham. Before they reached the Bessemer district they knocked him in the head, and took possession of the car. He is of the opinion that they were going to do away with him in the swamps between Bessemer and Tuscaloosa, but he worked a clever ruse. He begged them to take him in as a partner in the get-away, and planned to effect their arrest at the first opportunity. They watched him closely and his first opportunity came at the Ervin store near this city. They stopped at the store to buy supplies their purchases at the store, ostensibly to purchase some fruit, and here Felton gave the tip to Mr. Ervin to telephone the police.

After Felton was disabled by the blow administered by one of the boys Moore took the wheel and drove the car to this city. They stopped at Coal Fire, Ala., for gas and oil. They were under suspicion there for a telephone message reached this city early in the day, Thursday, to be on the lookout for them.

The car is a handsome National Six, seven passenger and is practically new.

Felton said the boys were making for New Mexico, and were planning raids all along the route. Columbus and West Point, he believes, were to be the scenes of two raids.

In Alabama the theft of an automobile is a serious offense and the charge of kidnapping is still more serious. The young men are facing a serious situation.

BOY SHOT BY NEGRO SOLDIER

James Keenum Painfully Wounded By Pistol Shot from Negro.

Last Tuesday night at 10 o'clock Mr. James Keenum, the son of Mr. G. S. Keenum, who operates a shoe shop on Main street, was shot and painfully wounded by a negro soldier whose identity has not been established. Keenum is about 23 years of age.

The shooting occurred near the home of Rev. J. H. Bell on Military road. Young Keenum was followed by the negro soldier and another negro, Jessie Billups. The latter loitered along behind and when Keenum neared the Bell home, the negro in uniform fired. Amotive for the shooting has not been established.

The bullet pierced the left shoulder, and is not a serious wound. The negro Billups was arrested and the following morning placed in jail. He steadfastly refuses to reveal the name of the negro who did the shooting, claiming that he did not know him.

Chief Glover is instituting a vigorous search for the negro.

IN MEMORY OF Tribbie Beard

"A perfect woman nobly planned To warn, to comfort and command And yet a spirit still and bright With something of Angelic light."

Such a person was Tribbie. So charming, so lovely, and so willing to lend a helping hand in the world, who could forget such a being, one who was always thinking of others, who gave herself, the best that was in her, for the people with whom she came in contact from day to day, who gave her time and the work of her hands and mind to those who needed her most. Her energy and self-sacrifice was so great that her own weariness and health was of little importance to her.

She was such a lovely flower to have been plucked so early; one whose petals had scarcely unfolded. But even so, we should not grieve, but should be thankful that she has been allowed to remain with us even this long to inspire in us aspirations for the nobler things of life. Though she has been with us for such a short while, her sweetness has penetrated the soul of those around to such an extent that she yet lives in the lives that she has touched; serving as a strong link between this earthly home and that of the Heavenly. Through her, we feel that our claim on Heaven and our Father is greater, deeper and more sacred than ever before.

She was symbolic of Spring in her home; all happiness and gaiety, with the great power of drawing others in to her moods. She was an inspiration to both youth and age; alike drawing them into her life. She was loved by all of them and mainly because they were loved by her.

After realizing that she was such a lovable character, why should we grieve for her when we know that her spirit is safe with Him who Created it. Her mission had been fulfilled in this world, or He would not have called her. God lent her to us for only a little while with the promise that we, His children, shall see her again, and know her even better in the Happy Home where her family circle will never more be broken, where peace and happiness reigns, and trouble is known no more. She is not dead, but has been even better in the Happier Home where her earthly mission is being continued.

"One who loved her."

Columbus learns with pride that one of its efficient young officers in the service, Lieut. Joseph Street, has recently been honored by being appointed special courier to the American Mission in Berlin. His visit to the German Capital was attended by memorable experiences, and a group of post cards from him give an excellent idea of the destruction wrought by the revolutionists particularly upon public buildings. A short furlough enabled him to make a trip along the beautiful Riviera, untouched by the ravages of war.

HOUSEKEEPERS SALE

The public is invited to attend a Housekeepers' Sale of the Altar Guild of St. Paul's Episcopal church Saturday afternoon, April 12, at 3:30 o'clock at the Parish House.

NEGRO STABS WHITE BOY.

Mr. Leroy Wood Seriously Wounded By Negro Friday Night.

Mr. Leroy Wood, the seventeen-year old son of Mr. and Mrs. Will Woods was stabbed in the back by Jeff Robinson, a negro, on North Market street Friday night about 9 o'clock.

Young Wood was walking along the street with a companion who jostled the negro on one side when he failed to give way on the walk. Wood said something to the negro whereupon the latter stabbed him with a pocket knife.

Young Wood was hurried to the Columbus Hospital where he received medical attention. His condition is not serious though it is feared complications may set in. Unless this occurs his recovery is expected to be rapid.

Robinson was arrested by Officers Cook and Lawrence several hours after the occurrence. He will be given a hearing when the young man's condition is determined definitely.

TO RAISE STREET ABOVE HIGH WATER LINE

At the special session of the city council Wednesday afternoon, it was decided to grade Third street, which connects with the Waverly Road north of the city to a grade above the back-water level.

Each winter and during the spring months people forth of the city are virtually cut off from entering Columbus on this road on account of the high water. Twice this season the street and road has been flooded, rendering the highway impassable for days.

The city participated in the project provided the county shared the cost, it being a joint city and county project. It is believed that the board of supervisors will acquiesce in the plan.

A grade of approximately two feet will be required to bring the road above the high water level. Plans for the grading are being made by Mr. C. L. Wood, county engineer.

Filler for the grading will be secured from the debris which is piled along the street and sidewalks in the area of the recent fire, and from other nearby sources, thereby minimizing the cost of the work.

Miss Dorsey of Jackson, the guest of Miss Annie Ramsey Longino, was the honoree of a picture party given by Mrs. Chandler Dee Wednesday. Another pleasant little party upon the calendar was a reunion of College friends at the Twentieth Century Club Saturday with Mrs. Dee and Miss Georgia Quarles, as hostesses.

Mrs. Joseph Carson and her lovely young daughter, Miss Florence Carson, were greeted with much pleasure by their Columbus friends during a brief stay with Miss Pauline Orr last week. They have spent a greater part of the winter and early spring in Birmingham, but leave the middle of April for Canada where they will be for the summer.

Mrs. S. D. Harris left Saturday morning for Kansas City to join her mother and sister, Mrs. Evans, in a visit to the West. Other absentees are Mr. and Mrs. Ledyard Vaughan who are in New Orleans, Mrs. S. B. Hudson and Miss Sadie Hudson, are in Mobile with Mrs. J. T. Billups.

Captain Cameron Wilson of the Army is visiting his parents, Mr. and Mrs. Guthrie Wilson, at Bent Oak, before reporting at Hoboken for overseas duty. In compliment to Captain and Mrs. Wilson, Mr. and Mrs. Lloyd entertained informally at tea Thursday evening.

Mrs. John L. Butts, who, for the past year, has resided in Indianola, is with her parents, Mr. and Mrs. E. S. Moore, until the return of Mr. Butts from France. Mr. Butts expects to sail this month, and will probably resume his government work in Florida.

After a short stay with Mrs. Gunby in Atlanta, Mrs. Burton F. Peek has joined Mr. Peek, who has been cruising in Southern waters, in New York City. While in the East, they will visit their daughter, Miss Katharine Peek, a student at Bryn Mawr.

Mrs. Emma Dancy Herring's wide circle of friends welcome the news that she will remain in Columbus, and is with Mrs. Garth and Miss Mary Billups on Third Avenue North. Mrs. Herring recently sold her attractive country place to Mr. Guthrie Wilson of Kentucky.

BUSINESS GOOD YESTERDAY

Yesterday the up-town district of Columbus was thronged with shoppers, many of whom were visitors from adjoining towns and sections.

Shoppers thronged the stores all during the afternoon and business was brisk and lively. Many of the visitors were attracted to the city by the athletic drills at the college, while scores of others came to Columbus, as they do all through the season, to make purchases from the Columbus stores which carry the finest and most varied lines of merchandise in this entire section.

The spring season is opening up and business is keeping pace with the coming of the springtime season. Business is good in Columbus and people from all over the Columbus region are coming to this city to do their shopping.

Automobiles from all adjoining towns were conspicuous in the traffic yesterday, and they are coming stronger every season.

CITY BUYS FINE FIRE TRUCK

CITY PURCHASES HIGH-POWERED LaFRANCE FIRE FIGHTING MOTOR TRUCK

Will Be Finest Fire Equipment South—Delivery Will Be Made In 120 Days—Substitutes Motor Equipment Supplied.

At a special meeting of the council held Wednesday afternoon authority was given for the purchase of a high-powered LaFrance motor fire fighting truck.

With the new equipment installed Columbus will have as fine and efficient and thoroughly equipped fire fighting apparatus as any city in the South.

The equipment purchased is a handsome high-powered LaFrance Type 75, Triple Combination pump and hose truck with a high pressure pumping capacity of 750 gallons per minute. The truck is equipped with a high powered pumping motor which is operated by gasoline and capable of projecting three streams of water under great pressure.

The truck is propelled by special designed fire-truck gasoline motor with appropriate speed in order to reach fires in remote parts of the city quickly, a potent factor in fire fighting efficiency.

Delivery of the truck is to be made in 120 days, and the meantime the city will be supplied with supply motor truck which is being shipped from Atlanta by the LaFrance people. This truck is expected to reach the city early next week and will be in service by latter part of the week. It will give the city ample protection until new truck arrives.

The new truck was purchased at a cost of \$11,500. It is the best in fire fighting apparatus.

No plans have been made or effected relative to the number of men it will require to operate fire department with the new equipment. The opinion prevails in official circles, however, that the present number of firemen, five, including the Chief, will be retained in the forces will be a capable of maintaining and taking proper care of the new truck.

Two horses now in the department will be put in the street department. Disposition of the chemical and wagon, the present major equipment of the department, has not been decided upon. It was purchased six years ago at a cost of about \$11,000. The LaFrance people have made offer to take it over in the deal for the new truck, making credit allowance of \$500 for it, opinion prevails in some of quarters that it should be retained for future use, possibly in the establishment of a sub-station or emergency use in connection with motor truck.

While the recent disastrous precipitated the purchase of the apparatus provision had been made for it some months ago, but fortunately its purchase was delayed and the city suffered one of its most costly fires of its history.

BOY SCOUTS TO BE REVIVED

Mr. Lewis, new Scout Master, will be conferred with the boys of this city and their parents.
